

Junior Road Superintendent SA3 – Cumberland, B.C.

Company Description:

Emcon Services Inc., a British Columbia Road and Bridge Maintenance Contractor is presenting an opportunity for an enthusiastic individual to become involved in the Road and Bridge Maintenance Industry in British Columbia. Emcon currently holds contracts throughout B.C and northwestern Ontario. We are looking for a Junior Road Superintendent to join our team – based out of the Cumberland area. Supervisory experience, ideally working on projects in a unionized environment and field experience managing and resolving complex problems in the field will be an asset in this position.

Job Description:

Under the direction of the Operations Manager you will be learning the responsibilities for the day-to-day supervision and direction of the workforce in the performance of road maintenance work. The Junior Road Superintendent is responsible to ensure completion of the scheduled work programs is done in a safe, timely and efficient manner to meet or exceed the Ministry's Specifications and in accordance with Emcon's Quality Management System You bring high quality standards and a focus on continuous improvement.

Principal Duties:

As a Junior Road Superintendent, you will be involved in planning, prioritizing, scheduling, implementing and controlling the work programs in your Foreman Area – both maintenance contract work and outside Project work to ensure compliance with the standards set by the Company, the Crown, and all other regulatory agencies. Duties will also include but are not limited to: the allocation of the combined resources of materials, equipment and manpower in a cost-effective manner; accurate reporting procedures and acting on the Employer's behalf in the first level of disciplinary matters.

Compensation

This is a non-union, salaried, management position. Actual salary and benefits will be based on the experience of the successful candidate. Additional compensation such as performance and retention bonus will be discussed during the interview process.
